ACEDS E-Discovery Program

UCI Extension's ACEDS E-Discovery Program is offered in collaboration with the Association of Certified E-Discovery Specialists (ACEDS) and designed to teach you about conducting discovery of electronically stored information (ESI) in litigation, as well as best practices related to the legal, technical and ethical considerations involved.

PROGRAM BENEFITS:

- Examine the laws and rules governing the discovery of electronically stored information (ESI) in United States civil litigation
- Understand the e-discovery landscape through the EDRM model
- Explore information governance, e-discovery data, identification, and preservation and legal hold implementation
- Create a discovery plan and manage a litigation's matter's knowledge, data and lifecycle
- Learn how to select and manage litigation support vendors including overseeing projects, costs and invoices

ACEDS BENEFITS:

- Earn the designation of ACEDS Fellow upon program completion
- Receive ACEDS membership for 1 year
- Prepare for E-Discovery Certification

FALL SCHEDULE:

Tuesdays, September 22 - December 8
6:30-9:30pm | On campus

A Night of Mentorship

**Network with Experienced Paralegals:
Ask and Learn Roundtables**

Tuesday, September 22
6:30 – 8:00pm | UC Irvine Campus

As you explore a new career or legal area as a paralegal, we'd like to invite you to join our panel of seasoned paralegals to learn more about their careers and experience, that led them to where they are today.

Ask questions and have robust discussions with each of our panelists as you rotate through different roundtables. Program staff will also be available to answer questions about the Paralegal Certificate Program
